WHY OYEP?

EXPERIENCE A SIDE OF OUTLAND YOU'VE NEVER SEEN BEFORE! LEARN ABOUT CORPORATE SOCIAL RESPONSIBILITY AND COMMUNITY ENGAGEMENT!

CREW BOSSES

Crew Bosses are dedicated to helping OYEP participants make the most of their experience in camp and in the field. Whether it's supporting youth through training, guiding them with personalized career planning or teaching new skills to help with entering the workforce, Crew Leaders are there to support youths success.

OYEP OFFERS:

- upward mobility in Outland
- resume development
- competitive wages
- networking opportunities
- paid training (first aid, s102, etc)

WHAT TO EXPECT:

- living on site for the duration of the program (no camp costs - accommodations and meals provided)
- a variety of responsibilities and new experiences daily including: mentorship, industry site tours, work experience, (tree plant, brush saw, etc.),
- Indigenous cultural education and networking with Industry partners

**OUTLAND
YOUTH

PROGRAM**

OYEP IS LOOKING FOR PEOPLE STUDYING:

- Environmental Studies
- Indigenous Studies
- Canadian Studies
- Education/Teachers College
- Sociology and Psychology
- Phys-Ed and Outdoor Rec
- Forestry Tech
- Anyone interested in making a difference!

COOKS

We all know cooks are the most important positions in a camp and that holds true at OYEP.

OYEP is the perfect way for cooks to finish off a tough planting season by cooking in an industrial kitchen at a beautiful lake front site.

Cooking at OYEP is unique and fun. You'll have the chance to engage with youth, teach them skills and even become a mentor.
