

OUTLAND YOUTH EMPLOYMENT PROGRAM

EQUITY & OPPORTUNITY FOR INDIGENOUS YOUTH

PARTNERSHIP PACKAGE

PARTNERSHIPS WITH IMPACT

The Outland Youth Employment Program is an industry driven initiative that provides pathways to education, training and work opportunities for Indigenous youth. With over 20 years of delivery, the program has enrolled youth nationwide, with expansion planned to meet the growing demand.

OYEP's land-based programming focuses on employable skills development and regionally relevant employment opportunities. OYEP's success is a direct result of the ongoing support from Industry partners like you. Generous contributions combined with your support are leading to more equitable outcomes for Indigenous Youth across Canada.

Partnership opportunities are made available to socially responsible businesses working alongside Indigenous nations. Your sponsorship efforts will play an active role in levelling the social-economic playing field for Indigenous youth in addition to gaining exclusive access to prospective Indigenous employees.
